[REDACTED]

1. Former General Martin Lattmann is now assigned to the D'K Hauptverwaltung Maschinenbau as a branch chief in charge of production planning. Former General Walter Freytag, who returned from Moscow with Lattmann on 29 August, is to get a post in the Agriculture Ministry of Brandenburg-Prussia. It is believed that Lattmann will soon join the SED and that Freytag will join the Peasant Party. Both men are now making local appearances in connection with the "National Front" campaign. 25X1X

 course is not fixed, and may be from one to four months. Edwin Heesel (SED), the former president of the Central Administration for Agriculture, has just been transferred from the D'K to Forst Zinsen, where he will be assistant to Peter Alfons Steininger, who is in charge of the school.

3. Richard Stainer, head of the Brandenburg police, and Hermann Leyerens, chief of the Schupo for Brandenburg, have been relieved of their positions. It is expected that Stainer will receive an appointment in the Administration of the Interior; Leyerens's new assignment is not known.

4. The Information Administration under the D'K will have Gerdhard Eisler as its head instead of Rudi Hugel. He will have a staff of about two hundred persons, and will control press and radio output. A quarter of the space in the Volksrat building is now allotted to the Information Administration. The D'K authorities are seeking some method of linking the C.I.A. with this administration without giving rise to unfavorable comment with the Propaganda Ministry of the late Dr. Joseph Goebbels.
